

Rooted in Jesus progresses!

DIOCESE OF PRETORIA

“WE ARE very excited about what God is doing here in Pretoria through the progress of our Rooted in Jesus courses. We have taken several people through the course in English Book 1 of whom was a person from Malawi and who has now taken the course in Chichewa, back home.

Two of the people at our guest house who have also completed it in English. But I felt concerned that English wasn't their heart language.

Discussing it with them, they said Zulu was a language many people understood. So, we have found a Zulu speaking lady who is now taking them through the course in a language that is more familiar to them.

Many thanks for translating the RinJ books in Zulu and also in Chichewa.

I'm really excited about what God is doing. (And that includes YOU (GtC) as an important part of the process!”

-John Baker

DIOCESE OF CAPE TOWN:

Lay Preachers from the Parish of Eluvukweni, were recently trained to become Rooted in Jesus Small Group Leaders. The course was facilitated by John Lewis, Estelle Adams and Amanda Ohlsson.

COMMISSIONING:

Welile Bada, Mfundo Cishe, and Thembinkosi Magida were commissioned by Revd Rachel Mash who gave them their certificates during their parish church service the following day.

What an amazing discipleship journey with the group from Prince of Peace Inanda, Diocese of Natal. 12 people were trained in RinJ Junior, commissioned, and received certificates to make disciples and share the love of Jesus.

In conclusion, the sessions were very informative. As a Sunday school teacher, I have experienced how to interact with children in their Sunday sessions.

- Sibongile Shezi

***Rooted in Jesus Junior Book 1 is currently being translated into Zulu.**

DIOCESE OF NATAL

“WE HAD visitors at our Parish Prince of Peace on countless times, to inform us on how to live with Christ. We would love to thank Revd Buli Sihlali Woolley, Pam Mlambo and Rooted in Jesus for organizing such an informative program for members of the parish.

“We had different types of sessions:

- We got extraordinary information about how to be disciples of Jesus Christ
- How to interact with the Word of God
- We learnt that the Lord loved us even though we are sinners
- To invite the Holy Spirit to connect us strongly with the Almighty God
- That we have to share the Word of God to the community and children
- To teach children how to worship and praise, to get to know the Word of God using pictures, playing games, singing and to read and memorize bible verses.
